

# Temporary Driveway Closures on Hurontario from Mineola Road to South Service Road

Beginning September 8<sup>th</sup>, 2021

## What work is taking place?

To accommodate construction of the Hurontario LRT, new watermain and sanitary lines will need to be installed on Hurontario Street. This work involves temporary driveway closures and will start at the intersection of Hurontario Street and Mineola Road and move north towards South Service Road. The work is tentatively expected to start on September 8<sup>th</sup>, 2021 with completion anticipated by late-November 2021.

Alternate parking for the impacted property will be provided in a designated area on Hurontario Street south of Mineola Road. The driveway will be paved and reopened at the end of the working day.

Crews will need to do an additional three driveway closures at the property in the coming months to complete other utility and roadworks.

Advance notice, with map showing the designated parking area, will be provided once the dates are confirmed for your property.

### TIMING

- Work is scheduled to start on September 8<sup>th</sup> 2021 and will last for approximately two months.
- Work involving driveway closures will generally occur between 6:30 a.m. and 5 p.m., Monday to Friday.
- For some properties work could be scheduled during nighttime.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

### TRAFFIC DETAILS

- Lane reductions will be required on Hurontario Street.
- Traffic delays are expected.
- Watch for slow moving vehicles entering and exiting work areas.
- Remember to reduce your speed when approaching lane reductions.

### WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Residents and businesses near the work site can expect to hear noise and vibration caused by trucks, excavators, backhoes, and other construction equipment related to this work.

### TRANSIT DETAILS

- MiWay will continue to operate with regular service.
- Watch for additional signs directing passengers at bus stops as boarding areas may be relocated.

- A temporary pedestrian pathway will be provided to access the boarding areas.
- Visit [www.miway.ca/updates](http://www.miway.ca/updates) for updates on your bus route.

### PEDESTRIAN DETAILS

- Please take care when travelling near construction areas.
- Sidewalk access in the area could be affected.
- Watch for additional signs directing pedestrians & cyclists as detours may be required.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

### PROPERTY DETAILS

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.

### CONTACT US

- Metrolinx has a dedicated community relations team in place to work with residents in Peel region through the construction and operation of this transformational transit project.
